### Notice of Referee ID Card Renewal (05/27/2024)

Starting today (05/27/2024), the World Wiser Sport Committee (WWSC) is now accepting applications for the renewal of WWSC Grades 3 and 4 referee ID cards. Referees seeking to renew their expired referee ID cards can select one of the following two processes to submit their applications.

#### 1. Individual Application:

Please submit the individual application to WWSC's email address at: [info@worldwisersport.org](mailto:info@worldwisersport.org) by including the following information on your existing referee ID card for processing:

- a. **Grade 3 or 4 referee ID number.** For example, WWSC-G4-CR-00XXX or WWSC-G3-SR-00XXX
- b. **The name specified on your existing referee ID card:** Chinese or English name. For example, 王大明 or Ming Wang (first name + last name)
- c. If you wish to replace the original photo on your existing referee ID card with a new photo, please attach an electronic file of a front-view of your upper-body color photo taken within the last six months by following the requirements of **Attachment 1 — Size and Format of Photo for WWSC Wiser Referee ID Card**. When naming your photo file, it is important to follow the format guidelines provided to ensure proper organization and clarity.

"Referee ID Number\_Referee Name". For example, "WWSC-G4-CR-00XXX\_Ming\_Wang".

- d. For the **Subject line of the email** for the individual application, please refer to the following naming convention format:

"Referee ID Number\_Referee Name\_Date of Email Submittal".

For example, "WWSC-G4-CR-00XXX\_Ming\_Wang\_05\_27\_2024"

#### 2. Group Application:

To effectively facilitate group applications submitted by Wiser Sport organizations, it is necessary to have a process to help organize and collect the application information of each referee belonging to the organization, uniformly submit their applications for referee ID renewal, and collect the fee for making referee ID cards.
